8. PERFORMANCE OBJECTIVES

8.1 The **Departmental Performance Plan** for the 2023/2024 financial year sets out:

8.1.1 The key performance areas for which the Employee is responsible.

8.1.2 The performance objectives and targets that must be met by the Employee.

8.1.3 The timeframes within which those performance objectives and targets must be met.

8.1.4 The performance objectives and targets reflected in the Performance Plan are set by the Employer in consultation with the Employee in compliance with legislative requirements and based on the Integrated Development Plan and the Budget of the Municipality and include key performance areas, objectives, targets, key performance indicators and weightings.

8.1.5 The key performance areas describe the main tasks to be done. The key performance indicators consist of the details of the evidence that must be provided to show that an objective has been achieved. The targets describe the timeframe in which the work must be achieved. The weightings reflect the relative importance of the objectives to each other.

8.2 The **Employee's** assessment will be based on his/her performance in terms of the output/outcomes (performance indicators) identified as the performance plan annexed into this agreement, which are linked to the Key Performance Areas, and will constitute 80% of the overall assessment results as per the weightings agreed into between the **Employer** and the **Employee**:
