INVITATION TO ALL SERVICE PROVIDERS:

ULUNDI LOCAL MUNICIPALITY SUPPLIER DATABASE REGISTRATION

All prospective services providers are invited to register on the WEB BASED CENTRAL SUPPLIER DATABASE with National Treasury as soon as possible and please provide the municipality with detailed report. Failure to do so will result in the service providers being unable to do business with the Municipality. The main purpose of the registration amongst others is to eliminate challenges experienced in the current decentralized procurement systems. Suppliers can use the following link to register: [www.csd.gov.za](http://www.csd.gov.za)

To those prospective services providers who are already registered with the Central Suppliers Database we are requesting them to please provide Ulundi Local Municipality with detailed report for them to be registered on Ulundi Municipality List of Suppliers Data Base.

In addition to the detailed CSD report, please provide the following documents:

1. Tax clearance pin
2. BBBEE certificate/sworn affidavit
3. CK certificate of incorporation
4. Bank confirmation letter
5. Proof of residence
6. ID copy of shareholder/director
