(2) Subject to by-law 22, the Municipality will provide the Wayleave applicant with such records as it possesses relating to potentially affected services, such as gas, water, electricity and other infrastructure providers and affected servitudes.

(3) This information contemplated in sub-by-law (2) will be provided for information purposes only, and the Municipality disclaims any liability for reliance thereon: It remains the responsibility of the Wayleave Holder to verify the existence and location of the indicated infrastructure.

(4) The Municipality has the right to supervise the execution of the Works authorised by a Wayleave.

(5) The Municipality will issue a completion notice once it is satisfied that the Works have been completed and all necessary reinstatement and rehabilitation have been undertaken successfully.

(6) The Municipality will co-ordinate all users of Municipal Property, and to this end, the Municipality

must—

- (a) keep up-to-date records of all infrastructure deployed on, under or above Municipal Property.
- (b) ensure that any third party applying to the Municipality to undertake work in, on or under the Municipal land or Municipal Property, which may impact on electronic communications facilities deployed by a Wayleave Holder, notifies that Wayleave Holder, in writing, in advance of any planned works and affords that Wayleave Holder a right of supervision.
- (c) notify Wayleave Holders of any works to be undertaken by the Municipality which may impact on electronic communications facilities deployed by that Wayleave Holder.

(7) The Municipality shall publish current information about the Wayleave process as provided for in these by-laws on the Municipal Website.

(a) the publication of a notice in the print and online version, if any, of a local newspaper;

and (b) sending a notification to all members of any database established for this purpose, of the intended application.

(3) A notice referred to in sub-bylaw (2) must—

(a) provide details that are reasonably required for third parties to determine whether they wish to enter into a co-build or similar arrangement with the Wayleave Holder; and

(b) allow no less than ten (10) working days for interested parties to respond.

(4) The Municipality may include a requirement in a Wayleave that the Wayleave Holder deploy additional duct space or dark fibre when trenching main routes or crossing roads to allow for facilities leasing and infrastructure sharing and avoid inefficient use of Municipal Property.

Standards and specifications

12. Standards and specifications applicable to the Works, rehabilitation and reinstatement must be set out in the Wayleave and Municipal Land Use Agreement or Municipal Lease Agreement and can be obtained from the Municipal Engineering Department or and in Municipal website.

Tariffs

13. (1) Tariffs relating to—

(a) applications for Wayleaves or other permissions;

(b) the deployment and maintenance of electronic communications facilities on, under or above Municipal land or Municipal Property; and

(c) remedial work where there has been non-compliance by the Wayleave Holder, are formulated and reviewed annually under the Municipality's Tariff Policy.

(2) Current tariffs are part of the municipal tariffs structure and can be obtained from the Municipal Website.

Guarantees

14. (1) The Municipality will require that a Wayleave Holder provide it with an irrevocable bank or performance guarantee issued by a reputable financial institution intended to provide the Municipality with access to funds to remedy non-compliance by the Wayleave Holder and damage caused to Municipal Property.

(2) The bank or performance guarantee must be furnished to the Municipality prior to the commencement of Works and must set out the following:

 - (3) The Municipality will give the Wayleave Holder reasonable written notice of its intention to call on the bank or performance guarantee and afford it a reasonable opportunity of no less than fifteen (15) working days to make representations in this regard or to cure the non-compliance.
 - (4) The Municipality reserves the right to require on good cause shown that the Wayleave Holder provide a further bank or performance guarantee for a reasonable period, and good cause in this context includes but is not limited to—
 - (a) the exhaustion of the bank or performance guarantee through claims against it by the Municipality prior to its expiry; and
 - (b) continuing engineering concerns about damage to Municipal Property.

- (b) any claims for damage caused by other holders of Wayleaves to the Wayleave Holder's electronic communications facilities or electronic communications network.

Sanctions for non-compliance

16. (1) In addition to tariffs setting out the charges levied by the Municipality where it is required to undertake remedial work, the Municipality has also determined sanctions to be imposed on Wayleave Holders that breach the terms and conditions of their Wayleave.

(2) Sanctions imposed are set out alongside the current tariffs and can be obtained from the Municipal Website.

(3) Where the Municipality determines that the Wayleave Holder is in breach of the terms of the Wayleave, then in addition to claims for remedial work and imposing a sanction as provided for, it reserves the right not to accept any further Wayleave applications until the Wayleave Holder is in good standing with the Municipality.

(4) The Municipality may further exercise its right to lodge a complaint with the Independent Communications Authority of South Africa where it is of the view that the Wayleave Holder or party to a Municipal Land Use Agreement or Municipal Lease Agreement is an electronic communications network service licensee acting in contravention of its licence terms and conditions.

(5) The Municipality's exercise of a sanction or remedy is without prejudice to its rights to exercise any other sanction or remedy.

Ad hoc incentives

17. (1) The Municipality may, in its sole discretion, apply incentives for the deployment of electronic communications facilities in areas in the Municipality that are without access to affordable broadband services.

(2) In exercising its discretion under this by-law, the Municipality will have regard to national policy relating to the rapid deployment of electronic communications facilities and the transformative effect of inclusive access to affordable electronic communications.

Amendments of Wayleave terms and conditions

18. (1) The terms and conditions of a Wayleave may be amended only where— (a) an amendment thereof is reasonably required—

- (iii) to give effect to a court order; or

(b) the Municipality and the Wayleave Holder have consented thereto.

(2) The Municipality will issue the Wayleave Holder with a revised Wayleave.

Removal or relocation of electronic communications facilities

(3) If remedial action contemplated in sub-by-law (2) is not completed within a reasonable period, a Wayleave Holder may itself take the required steps to remove the obstruction or interference, and the Wayleave Holder shall bear the cost of any remedial action taken under this subsection.

(4) Where a Wayleave Holder requires the removal, alteration or relocation of Municipal Property, it must submit a request, in writing, to the Municipality for consideration by the Municipality.
