**INVITATION TO ALL SERVICE PROVIDERS
ULUNDI LOCAL MUNICIPALITY SUPPLIER DATABASE REGISTRATION**

All prospective service providers are invited to register on the web-based Central Supplier Database (CSD) managed by National Treasury as soon as possible. Service providers are further requested to submit a detailed CSD report to Ulundi Local Municipality for purposes of registration on the Municipality's Supplier Database.

Failure to register on the CSD will result in the service provider being unable to do business with the Municipality. Suppliers may register on the CSD using the following link: www.csd.gov.za

Service providers who are already registered on the Central Supplier Database are requested to submit a detailed CSD report to Ulundi Local Municipality to enable registration on the Municipality's Supplier Database.

Compliance will be verified directly from CSD. All suppliers must ensure that the following compliance information is valid and up to date on the CSD:

- Tax Compliance Status
- Banking Details
- Ownership information

Quotations will be invited through the Municipality's official procurement processes and may be advertised on the municipal noticeboard, municipal website and/or email.

IMPORTANT NOTICE

Registration on the municipal supplier database does not guarantee that a supplier will be invited to quote or be awarded business.

Goods and services may only be delivered after receipt of an official Municipal Purchase Order.

The Municipality will not be liable for any goods delivered or services rendered without an official Municipal Purchase Order.
