- 8.1 The **Departmental Performance Plan** for the 2025/2026 financial year sets out:

- 8.1.3 The timeframes within which those performance objectives and targets must be met.
- 8.1.4 The performance objectives and targets reflected in the Performance Plan are set by the Employer in consultation with the Employee in compliance with legislative requirements and based on the Integrated Development Plan and the Budget of the Municipality and include key performance areas, objectives, targets, key performance indicators and weightings.
- 8.1.5 The key performance areas describe the main tasks to be done. The key performance indicators consist of the details of the evidence that must be provided to show that an objective has been achieved. The targets describe the timeframe in which the work must be achieved. The weightings reflect the relative importance of the objectives to each other.
- 8.2 The **Employee's** assessment will be based on his/her performance in terms of the output/outcomes (performance indicators) identified as the performance plan annexed into this agreement, which are linked to the Key Performance Areas, and will constitute 100% of the overall assessment results as per the weightings agreed into between the **Employer** and the **Employee**:

In terms of Local Government: Regulations on appointment and conditions of employment of Senior Managers, Reg. 21 of 17 January 2016, the "Core Competencies" are competencies that cut across all levels of work in a municipality and enhance contextualised leadership that guarantees service delivery impact; and "Leading competencies" means competencies that are required to develop clear institutional strategy, initiate, drive and implement programs to achieve long-term sustainable and measurable service delivery performance results. There is no hierarchical connotation to the structure and all competencies are essential to the role of a senior manager to influence high performance. All competencies must therefore, be considered as measurable and critical in assessing the level of a senior manager's performance and as listed as follows:
