SPECIFICATION

A service provider is requested to review the Local Economic Development (LED) Strategy Framework to align with the MEC for COGTA's comments on the Draft Integrated Development Plan (IDP).

Services required include the following:

The review is required to reveal critical gaps that may hinder effective implementation and impact.

The review will ensure alignment with developmental priorities and socio-economic realities on the ground.

The review of the LED Framework will enhance the implementation readiness by incorporating practical delivery mechanisms and ensure the alignment with other strategic instruments such as the IDP, Spatial Development Framework (SDF) and Sector plans.

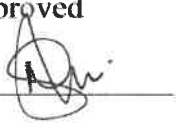

LED interventions need to be strategic, inclusive, measurable and capable of delivering sustainable economic outcomes for all communities.

NB: Service provider skills mandatory requirements

- Experience in LED strategy development and review
- Experience in aligning LED Strategies with IDP, SDF and sector plans.
- Proof of competence to be submitted such as company profile, CVs and reference letters confirming previous work.
