Youth – 5  
Disability – 5

## **SPECIFICATION**

The municipality invites qualified and experienced service providers to submit quotations for the provision of cable fault testing and pressure testing services within the Ulundi jurisdiction from July 2025 to June 2026.

The appointed service provider must be capable of rendering services on:

- Normal working days
- After hours
- Weekends (Saturdays and Sundays)
- Public holidays

Services will be required across LV (Low Voltage) and MV (Medium Voltage) electrical networks.

The appointed service provider will be responsible for undertaking cable fault location and pressure testing as and when required. The service provider must also be available for emergency call-outs during all operational periods stated above. Services will be rendered within the Ulundi jurisdiction and surrounding areas as required by operational demand.

The quantities provided below are estimates only, based on historical usage, and are not guaranteed. Actual usage may vary depending on operational requirements.

| <b>Description</b>                                                         | <b>Estimated quantities</b> |
|----------------------------------------------------------------------------|-----------------------------|
| Cable fault testing LV                                                     | 15                          |
| Cable fault testing MV                                                     | 10                          |
| Cable fault testing LV – After hours , Saturday , Sunday & public holidays | 10                          |
| Cable fault testing MV – After hours , Saturday , Sunday & public holidays | 5                           |
| Pressure testing LV                                                        | 5                           |
| Pressure testing MV                                                        | 5                           |
| Travel km – normal                                                         | 3 500                       |
| Travel km – After hours, Saturday , Sunday & public holidays               | 1 000                       |

Quotations must be provided per unit for each line item, clearly indicating:

- Normal working hours rates
- After-hours/weekend/public holiday rates
- Travel cost per kilometre

All pricing must be inclusive of VAT (if applicable).
